CHAPTER 113: INTERNAL AND EXTERNAL TROUBLES

RINTAROU

CHAPTER III: INTERNAL
AND EXTERNAL TROUBLES

BOTH
OOO-
ARR

HEY,
ENOUGH,
YOU SURE
YOU'RE
OKAY

DIV 3
OF
THE
NAVY
STATION

THOUGH YOU
PROBABLY
ALREADY KNOW,
I'M NOT AS
FRIENDLY AS
HE IS

YOU
WILL BE
DEALING
WITH ME
TODAY

SALVAGE
AND BRIDGE,
BOTH
PROVEN
MASTER
SALVORS,
MADE
TODAY'S
DIE.

FALLS
AND
PERIPHERAL
SHOCKS
ON THE
STEEL-CLAD
SIDE WERE
LOOKED AT
TODAY.

THE
MISSION
WAS TO
FROM
ASSESSING
THE SHIP'S
STRUCTURAL
INTEGRITY.

TAGGED,
INVENT-
ORIED,
AND THEN
LAID OUT
ON THE
DECK OF
THE SHIP.

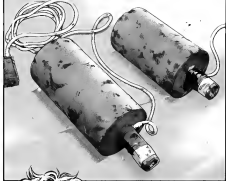

EVERYTHING
THEY
SALVAGED
WAS
BROUGHT
TO THE
SURFACE.

ON
THE
LAST
DIVE

AND...

IT'S
THANKS TO
SAWAMURA
WE'RE ALL
STILL ALIVE

IT WAS
BOOBY
TRAPPED
AFTER
All...

SO
SO

RIGHT AFTER THE DIVING INVESTIGATION WAS COMPLETE, THE SALVAGE COMPANIES HANDED IN THEIR "FIELD SURVEY REPORT" AS WELL AS THEIR "PROPOSED PROCEDURE FOR HOISTING THE SPY SAULT" ON THE SAME DAY.

THE AGENTS OF THE "LAND DEFENSE" BUREAU, TELER, POST AND TRUCKS, AND THE JGS

SHIT... THINKING ABOUT THE ADVANCEMENT OF HIS

DO THEY EXPECT THE ACTION TO CONSENT TO THIS KINDA SCENARIO??

第一!!

WHAT THE HELL IS WITH THE OUTRAGEOUS CHARGES FOR THEIR WORK THIS FAR AND THE APPROXIMATE HOISTING COST IT?

I HAVE AN IDEA.

HOWEVER... WE WON'T BE ABLE TO SUCCESSFULLY SALVAGE IT WITHOUT THEIR HELP.

EXPERIENCED OFFICIALS AND SCHOLARS, AS WELL AS

A FIVE-DAY CASE

CIVIL-DAY REPORTS BLINDING AT THE AGE

THE "SALVAGE INVESTIGATION COMMITTEE" WAS THEN ESTABLISHED, AND THE LEGITIMACY OF THE METHOD OF THE SALVAGE AND ITS COST, AMONG OTHER THINGS WERE DISCUSSED

FAILURE
OF THE
COMMITTEE'S
VERDICT
FACILITABILITY

FROM
MORI'S
OFFICE
CALL
RECORD

THAT WAS MORE
EFFECTIVE THAN
EXPECTED. THERE
WERE ANY INTERNAL
NOT-PECKING WITHIN
THE PARTY REGARDING
THE ENORMOUS SALVAGE
COST. THEY'VE
PRACTICALLY TURNED
A BLIND EYE

YES, JOE'S
DIRECTOR
KOSHIDAWA
FINALIZED
THE PROPOSAL
AT ONCE,
HOWEVER,

SHOULD
IT
REALLY
DOES
THIS
EFFECT

BUT

IF
THIS STAYS
QUIET, THEN
THIS PAPER
WILL BE
EFFECTIVE

SO, THE PRO-
FESSIONALS AND
SCHOLARS HAVE
SIGNED AND
AUTHORIZED THE
GUARANTEE, SO
WE DON'T HAVE
TO VALIDATE IT,
HOWEVER

I LIKE
THE
SOUND
OF THAT

A
"CONTINGENCY
PLAN" MUST
HAVE

IT SEEMS THAT
THE SALVAGE
HAS A CLAUSE
TO CLAIM EXTRA
REPARATION
IN THE FORM OF
A "CONTINGENCY
PLAN" SUBJECTS
TO THE WORLD
OF SALVAGING

ON THE
CONDITION
THAT THE
RETRIAL
IN A
SUCCEEDING
SPACING
OF...

SALVOOS ARE
SOME-
TIMES
CALLED
"HYENAS"

DID
YOU
KNOW
?

THAT
THE
RIGHT

IN ORDER TO
ACHIEVE "SUCCESS"
BY ANY MEANS
NECESSARY, THIS
IS NOW ITS GOAL.
THAT'S THE DEFINITION
OF "SUCCESS" IN
THE FIRST PLACE.

THE
GOVERNMENT
WON'T BECOME
"FOES" FOR THE
PRIVATE SECTOR

WE'LL
FEED THE
"HYENAS"
FOR A
LITTLE
WHILE

AND
IN
EXCH-
ANGE

1/10
9/2

WELL,
I'LL BE
GOING
THAT

COME STRAIGHT FROM THE "CORES" OF THE SPY SHIP

MY "CONTINGENCY PLAN" WILL

THE NEXT DAY.

THE "PROPOSED SALVAGE PLAN" WAS DEEMED OFFICIAL BY THE "SALVAGE INVESTIGATION COMMITTEE"

AND FINALLY, WE'RE AT THE FINAL STAGE OF THE PROJECT.

COMMENCES

II

"S.S.-3"
OPERATION
RAISING THE
SPY SHIPS'
HULL

MY
SCHEMATICS
ARE FLAWLESS.
I TRY TO
ELUCIDATE
AS MUCH
FOOTLEGG
WORK AS
POSSIBLE.

BUT THE
NECESSARY
EQUIPMENT
IS ALREADY
ON BOARD.
THAT'S YAMATO
SALVAGE
FOR YOU!

NORMALLY,
WE'D RETURN
TO PORT
TO PREPARE
FOR THE NEXT
OPERATION.
BUT...

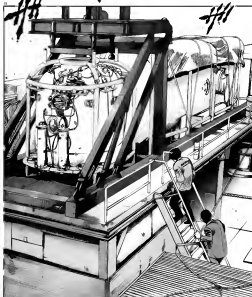

THE "S.S.-3"
WAS
NOT
COMPLETE.

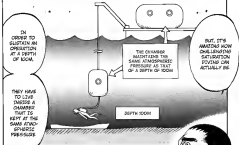

OF
COURSE
!!

SHOULD I DO
A SATURATION
SYSTEM
CHECK

YOU'LL BE
DOING
SATURATION
SYSTEM
SOON

CAN THEY
REALLY WORK
AS A TEAM
UNTIL THE END
OF THE
OPERATION
...?

HEY NOW...
THERE IS
INSIDE THAT
CRANKED
CHAMBER
...?

オオオ
